W5 is Belfast's discovery centre with over 250 interactive exhibits, a paradise for building on children's curiosity! They will enjoy 'Climbit', a three dimensional climbing structure and much more!

At the **GIANT'S CAUSEWAY** hear the 'giant' legend of the Causeway, climb over the unique stones, take a seat in the Wishing Chair and see the Giant's boot, a whopping size 93.5!!

CARRICK- A- REDE ROPE BRIDGE is suspended 30m above sea level to link the 20m gap from the mainland to Rocky Island. Cross the rope bridge - if you dare!

TITANIC BELFAST takes you on a unique journey through the ship's conception, construction, launch, maiden voyage and tragic end; as well as a dive to the ocean bed where Titanic now rests.

ULSTER MUSEUM with dinosaurs, an Egyptian Mummy, relics and hands on activities from Ireland to the South Pacific, there's so much to see and do!

CASTLE ESPIE WETLANDS CENTRE take an outdoor adventure along the shores of Strangford Lough where there are a variety of subjects to investigate including habitats, migratory birds and the impact of environmental change.

CRUMLIN ROAD GAOL step back in time to Victorian Belfast to experience the sights, sounds and smells of prison life, explore different view points on punishment and meet the Warder; prisoners feared him more than anyone!
