18 May

Travel to Dublin/Rosslare, (via Larne, Carrickfergus, Belfast, Newry) for the morning ferry crossing to Holyhead/Pembroke. Arrive in Holyhead/Pembroke and travel to **Newquay** where we will stay for 3 nights at the Carnmarth Hotel.

19 May

Today we head along the North Cornwall Coast. The seaside resort of **Bude** will be our visit over lunch time with its wide selection of shops and cafes.

The beautiful village, and fishing port of **Boscastle** is a 'must-see' with its historic, medieval harbour and the scenic views created by its situation, in a steep sided valley. A little further along the coast brings us to **Port Isaac**, the setting for television series 'Doc Martin'. Here you will find winding streets with whitewashed cottages, shops and tearooms.

20 May

The extreme South West and **Lands End** is where we spend time this morning. After having a coffee break and time for photos at Lands End, take the coastal road with stops at the picturesque fishing village of **Mousehole** which is full of charm; **Saint Michael's Mount**, a small island off the coast (causeway access times permitting); and **Mevagissey** where you can wander the narrow alleyways and perhaps experience the local ale in one of the pubs, or shop in the independent stores.

21 May

Today we depart the hotel in Cornwall and travel east to Devon. **Dawlish**, a seaside town in Devon is home to the famous black swans and has a beautiful sandy beach. Enjoy some free time here over lunch. We will arrive at our next hotel base, in Torquay, late this afternoon.

22 May

Today we take a **boat trip**, from Torquay to Brixham. One of the busiest fishing villages in the country, **Brixham** has unique art and culture attractions including a replica of the Golden Hind, a recreation of Sir Francis Drake's flagship.

23 May

A free day to enjoy this lovely town of **Torquay**. Stroll along the promenade, enjoy the pavement cafes and bars in the harbour area, or some shopping in the local shops.
