15 March

Depart from Larne, via Carrickfergus, Belfast and then on to the M1. Continue via Dungannon and Enniskillen (coffee break/comfort stop will be made en route). Cross the border at Belcoo and continue to Sligo, arriving in Galway late afternoon.

16 March

Today we visit the spa town of **LISDOONVARNA**. The town's mineral wells mean that the area became a popular health resort in the 19th century. The town's Victorian Spa complex is a major attraction and the only active spa centre in Ireland.

Our next stop is the **CLIFFS OF MOHER**, on the Wild Atlantic Way. They stretch along the west coast of Ireland offering breath taking views at the edge of the Atlantic Ocean. The admission includes attractions such as the interactive cliffs exhibit, viewing areas, safe pathways, O'Brien's Tower and the visitors centre with cafes and gift shop.

17 March

Travel along Galway Bay today to the craft village of **SPIDDAL** (An Spideal), a picturesque village, famous as the largest Irish speaking settlement in Galway. Continue along to **CONNEMARA NATIONAL PARK** with a stop at the magical **KYLEMORE ABBEY** which is owned and run by Benedictine Monks.

18 March

A free day today to explore **GALWAY CITY** which sits where the River Corrib meets the Atlantic Ocean. The medieval city walls, winding lanes of the Latin Quarter and the 18th century Eyre Square along with cafes, boutiques and art galleries give plenty of choice to fill the day.
